Dear Bernell:

I am writing to commend you for the success you have had with Launch Your Dream 2002. It appears that the idea of entrepreneurship was and is well received in the Greenville-Spartanburg area. The S.H.A.R.E. office serves as a positive site; I am glad that they are so open to the series.

Thank you for the summary materials – attendance information, etc -- which you mailed to my office. I will be sharing the results with Dr. Green of the Houston Center at Clemson University.

Here are a few ideas for you to consider:

1. Invite alumni of the Workshops to come back for a refresher
2. Give each year a number. Since the Launch Your Dream workshops began in 2000, you have completed Launch your Dream III. The new year will mark Launch Your Dream IV.
3. Plan to have the Launch your Dream Business plan packet (with diskette or CD) ready for the Summer 2003 series.

You are doing a fine job and I look forward to continuing to work with you.

Much success as you continue to pursue your goals and develop your business.

Sincerely,

Debra A. King-Johnson
