Dear Pastor Burton:

Greetings in JESUS' name! This letter serves as an endorsement for Bernell King. Bernell has been a member of our church for six and a half years and served in a leadership capacity for five years. Bernell has proven herself to be a faithful, dynamic professional, who consistently operates in the spirit of excellence. God has elevated her quickly because of her willingness to immediately obey the spirit of God.

Bernell presented "InVision" at our Women's Advance in Asheville, North Carolina, in 2003. Her ability to challenge the women to "end up somewhere on purpose" was impressive. The information was quite extensive and comprehensive. In 2004, "The Visionary's Essentials" was presented in a small group format which allowed aspiring entrepreneurs to receive individual attention and take informed, methodical steps towards the manifestation of their vision. Without question, God has given Bernell a gift to partner with individuals and draw out the gifts God has inherently placed in them.

Overall, Bernell is a woman after God's heart who yearns to see the people of God not just dream, but fulfill the vision God has given them. I endorse Bernell and her services. I know they have the potential to impact lives for the kingdom.

Yours in Christ,

Pastor Waymond L. Burton, III
